

DR. BINA PARK

— ORTHODONTIST —

At **Dr. Bina Park Orthodontics**, we strive to ensure that each visit is informative and efficient for our patients. Prior to starting your / or your child's orthodontic treatment, we would like for you to understand the commitment on the part of the patient, as well as the parents. This will assist our office in providing the best orthodontic experience for you.

Office hours are 10 A.M - 6 P.M (Last appointment being at 5:30)

Lunch time for the staff begins at 12 P.M. and ends at 1 P.M.

The **Greenwich, CT Office** is open on Monday, Thursdays, and Fridays.

The **Upper East Side, NY Office** is open on Tuesday, Wednesdays, and some Mondays.

Long visits

Typically treatment milestones such as *Initial appliance placement*, *Mid treatment bracket reposition/fine tuning* and *Removal of appliances* require extra time and care. These visits are best scheduled in the morning due to the extra care and time involved. We anticipate these morning visits to be no more than two to three visits during a two year treatment plan. We do anticipate that some visits may conflict with school or work schedules. We will make every effort possible to schedule appointments at your convenience.

Periodic Visits/When should you schedule appointments?

Appointments are scheduled based on you or your child's specific treatment plan. At the end of each visit, the doctor will recommend when the next appointment should be. We ask that you make this appointment while in the office or at your earliest convenience. Orthodontic patients are seen approximately every 4-8 weeks depending on the progression of treatment. Please be aware it is your **responsibility** to book appointments within the time recommended at each visit.

What happens if you run late?

We value your time and commitment to come into the office. Coming to each appointment on time will ensure that we are able to complete the orthodontic procedure you need and to stay on schedule with the rest of our patients. If there is a chance you are running late, please feel free to give our office a call to notify us.

Comfort Appointments

Dr. Bina Park Orthodontics is committed to your treatment success. If you or your child is experiencing discomfort, we will do our best to accommodate you to place you in our schedule as soon as possible.
